

ASSEMBLY BILL

No. 956

Introduced by Assembly Member Skinner

February 26, 2009

An act relating to air pollution.

LEGISLATIVE COUNSEL'S DIGEST

AB 956, as introduced, Skinner. State Air Resources Board: pavement coatings.

Existing law designates the State Air Resources Board as the state agency responsible for the preparation of the state implementation plan required by the federal Clean Air Act, and requires the state board to coordinate the activities of local air districts to comply with the act.

This bill would state the intent of the Legislature to enact legislation to require the State Air Resources Board to adopt regulations on pavement coatings in order to reduce smog production as a result of artificially increased temperatures.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to require the State Air Resources Board to adopt
- 3 regulations on pavement coatings in order to reduce smog
- 4 production as a result of artificially increased temperatures.
